

February 19th, 2025

Good afternoon. We hope everyone is doing well and staying safe in the current weather.

We wanted to share with everyone that CMS will remain remote/virtual next week, February 24-28. This is consistent with the previously-released CMS Virtual Learning Plan that indicates CMS would be closed for a minimum of two weeks with possible weeklong extensions. All of those involved are working to be very thorough, and we appreciate the patience and grace of our students, staff, and community. As you likely know from our February 5 messages, we are working with contractors to complete an environmental study along with inspections of the mechanical systems in the building.

We continue to urge you to follow official AHPS communications for frequent updates. You may be particularly interested in the dedicated webpage that provides a variety of helpful information.

Items at the webpage include:

- A [Frequently Asked Questions document](#) that is updated often
- Information about free online [tutoring](#).
- A [health-focused list of questions and answers](#) from the Virginia Department of Health.
- And much more.

We know you are likely already aware, but please feel free to email specific questions or information to AHPSinfo@ahps.k12.va.us. Similarly, please let us know through AHPSinfo@ahps.k12.va.us or call the central office at 540-863-1800 if you are having any difficulty navigating the website.

Thank you for your support as we continue to move forward with our investigations. We appreciate your help.
